

STUDY GUIDE

Wannabe Influencer 4.0 (MEDIA)

Category Overview

The fourth iteration of our hit category “Wannabe influencer” puts you into the POV of a content creator. Journey through the event; recording every single moment. “Tu influencer hai, Content creation hai kaam tera – Teray samnay likes aur bhi hai”

Round 1

Delegates will be tasked with creating an Instagram account and will be replicating how an actual influencer will be running said account. Delegates will be required to make a minimum number of posts, highlighting the 3 days of the event. They may post carousels, reels, stories, etc to make their page as captivating as possible.

The main goal of this account will be to cover the duration of the event in a way an influencer would do so.

Delegates will be allotted a specific type of influencer (e.g food, fashion, musicians, artist etc) which they will have to simulate, covering the event in accordance to the type of influencer they were given, they can collaborate with other teams as . In the beginning of the category, delegates will be given a checklist of tasks which they will have to complete by the end of the category. Additionally, at random moments of time, delegates will be given a product/brand that has sponsored them and will be required to make a promotional reel for that product.

Judging Criteria:

- Creativity and originality.
- Engagement and captivation.
- Content quality.
- Promotion of given product.
