Battle of the Bands (MUSIC)

Category Overview

The Battle of the Bands sub-event brings together musicians to showcase their talent, creativity, and chemistry on stage. From rock and metal to pop, jazz, funk, and more, bands are encouraged to bring their own style and energy to their performance.

Overview:

Duration: 20 minutes (sound check included).

Participants: minimum 3 participants.

Genres: All genres are welcome, including rock, metal, pop, jazz, funk and alternative.

Performance Specifications:

1. Instruments & Equipment:

Participants are required to bring their own instruments and necessary accessories. If anything is required participants would have to tell before hand.

A sound check will be conducted before each performance to ensure proper levels and sound quality.

Bands should be prepared to set up and sound-check efficiently within their allotted time.

2. Performance Time:

Each band will have a total of 20 minutes, including their sound check.

Exceeding the allotted time may result in deductions or the performance being stopped by the judges.

3. Backing Tracks:

The use of backing tracks is not permitted for this category

Judging Criteria:

Bands will be judged based on the following:

- Rhythm – Consistency, groove, and ability to maintain a strong rhythmic foundation.
- Harmony – How well the instruments and vocals work together and blend musically.
- Coordination – Communication and cohesion between band members.
- Timing – Precision, synchronization, and the ability to stay together throughout the performance.
- Stage Presence – Confidence, energy, engagement, and overall performance.
